& The Pierces

Public transport and road closure information

WEDNESDAY 21 NOVEMBER 2012

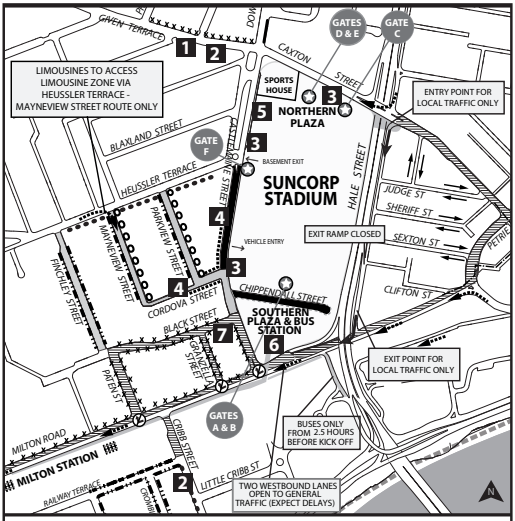
GATES: 5.30PM • **COLDPLAY:** 8.30PM • **CONCERT COMPLETION:** 10.30PM

Travel Free to the Concert

Present your concert ticket to receive free travel to and from the Stadium on all Brisbane Transport and Queensland Rail city services. This free travel offer applies from midday to the last scheduled service on the concert day.

TransLink Bus Services (Brisbane Transport Only)

In addition to regular timetabled services, special bus services from the City, Carindale, Eight Mile Plains/Mt Gravatt (Garden City), Chermside and The Gap run direct to the Stadium at regular intervals for two and a half hours before the start of the concert. At the end of the event, for a one hour period, high frequency bus services will return to the above locations.



Queensland Rail Services

Milton and Roma Street are the closest stations for patrons travelling to and from the Stadium. Regular timetabled services and any additional services run to and from both stations.

Please visit www.translink.com.au or call 13 12 30 for full event day bus and train timetables and details of any track works or service disruptions.

Restricted Parking

On event days, parking restrictions apply in the local area surrounding the Stadium. Fifteen minute parking limits apply in most restricted areas unless otherwise signed. On-the-spot fines will be issued to offending motorists. Illegally parked vehicles will be towed at the owner's expense.

Major Road Closures

Major road closures will apply from the end of the event for one hour. To ensure pedestrian safety, Caxton Street between Petrie Terrace and Hale Street may need to be closed between 6.00pm and 8.00pm. For further information contact Suncorp Stadium on 07 3331 5000. A detailed map showing the specific closures pre and post event is available on www.suncorpstadium.com.au
